1 Corinthians 3:10-14

JUNE 2026

Inviting the Community

Earlier this month, Foundation Builders Community Center hosted our first community open house and Family Field Day. We would like to extend a heartfelt thank you to everyone who attended, volunteered, donated, and took the time to tour our facility. It was a wonderful opportunity to share our vision, connect with our community, and showcase the programs we are building for youth and families throughout Albany County. If you have any questions about our mission or would like to support Foundation Builders through volunteering, donations, sponsorships, or program involvement, we would love to hear from you.

-AUGUST 15th BACK2SCHOOL GIVEAWAY free Soda Pit, free Butcher Block, free shoes and filled backpacks! K-12

Fly Fishing Program – Only 3 Spots Remain!

Our new Fly Fishing Mentorship Program is almost full, with only three spots remaining! Participants will learn fishing knots, basic fly casting, fly selection and presentation, humane catch-and-release practices, and stewardship of God's creation while being mentored by experienced local anglers. We are also currently accepting donations of fly fishing rods, reels, flies, tackle, waders, and other fishing equipment to help support the program and future participants.

DONATE

Facility Rentals

Did you know that Foundation Builders offers rental spaces for birthdays, baby showers, graduation parties, meetings, classes, and other special events? Our facility provides a unique setting with flexible indoor and outdoor spaces to accommodate a variety of gatherings. Rental income helps support our nonprofit mission and community programs. Contact us today to learn more about availability and pricing.
